

NewSpring Mezzanine

NewSpring Mezzanine is NewSpring's private credit strategy that provides flexible capital to business owners— either independently or with financial sponsors— to build growth, acquisitions, and recapitalizations through senior subordinated debt and equity structures.

NewSpring Mezzanine is part of NewSpring, a lower-middle-market focused private equity firm that partners with innovators, makers, and operators of high-performing companies in dynamic industries to catalyze new growth and seize compelling opportunities. The Firm manages approximately \$3.5 billion across five distinct strategies covering the spectrum from growth equity and control buyouts to mezzanine debt.
